

Be a Hero in a Child's Story.

Every great story has a moment when someone steps in. For more than half of India's children, the story ends too soon — most before they ever reach Grade 12.

 **54**

Of every 100 children who start school never finish

 **\$750**

Keeps one child in school for a full academic year

 **8–10%**

Earnings increase with each added year of schooling

"My teacher said I could be an engineer. Then my father got sick, and I had to leave school. I still keep my books — just in case."

Be the moment in their story.

Support a Dream is a US-registered 501(c)(3) nonprofit built on the belief that circumstance should never decide a child's future. We partner with FCRA-compliant, grassroots organizations to provide full-wrap support to children at critical academic crossroads. Guided by strong governance and transparent impact tracking, every contribution is linked to a named child and every child's journey is followed from enrollment to early career.

YOUR MOVE

Three ways to change a life today.

Three tiers of giving. One gift keeps a child in school. Annual giving sustains them.

1 Sponsor a child

\$750 keeps one student in school for a full year — fees, tutoring, transport, meals, & mentoring included. One donor. One child. One year that changes everything.

\$750 / year

Sponsors 1 child's education for a full year.

MOST POPULAR

\$3,750 / year

Sponsors 5 children for a full year.

FOUNDING CIRCLE

\$7,500 / year

Sponsors 10 children for a full year.

2 Join the Founding Circle

A one-time honor. Permanent recognition. Direct access to the children you fund. Closes when Year One ends.

3 Bring a friend in

Refer one person who shares these values. That's how 50 children today become 500 by Year Three.

*"The question is not whether education works.
The question is whether we choose to fund it."*
