

**WHO WE ARE**

# Built so circumstance never decides a child's future.

Support a Dream is a US-registered 501(c)(3) nonprofit built on the belief that circumstance should never decide a child's future. We partner with FCRA-compliant, grassroots organizations to provide full wrap support to children at critical academic crossroads. Guided by strong governance and transparent impact tracking, every child's journey is followed from enrollment to early career.

## Our Vision

A world where circumstance does not define a child's destiny.

## Our Mission

Empowering underserved children at critical crossroads to transform potential into purpose.

**THE CRISIS WE ADDRESS****AN INVITATION TO PARTNER**

## Children rarely leave early. They leave when staying becomes hard.

Class 1 100 enrollments

Class 5 85

Class 8 78

Class 10 64

↓ THE CLIFF — WE STEP IN HERE

Class 12 46 graduated

*Of every 100 children who start school, 54 never finish — most before Grade 12.*

**WHO WE LOOK FOR**

## Organizations with deep roots in their community.

- ✓ Valid FCRA registration
- ✓ Proven experience in successful education programme outcomes
- ✓ Deep community trust in the geography of operation
- ✓ Staff, volunteer & mentor networks in place
- ✓ Operational scalability & technology for tracking & reporting

## HOW THE MODEL WORKS

# Clean, compliant & efficient.

01

### US Donor

Tax-deductible giving, 501(c)(3)

02

### Support a Dream

Funding, governance & tracking

03

### Your NGO

FCRA-compliant delivery

04

### The Child

Kept in school, followed on

## WHAT YOU GAIN AS A PARTNER

# A partnership that respects what you have built.

Clear roles, real, lasting upside for your organization.

- ✓ Stable, multi-year program funding
- ✓ Recognition — your NGO's story travels globally
- ✓ No parallel structures, no new overheads
- ✓ Scale together as we grow

Backed all the way

Funded · Supported · Followed · Enabled

## HELPING POTENTIAL FIND A PATH FORWARD

# What each child receives.

Complete support across a full year, so that no single shortage ends a promising education.

### College Fees & Enrollment

Registration, tuition & exam fees.

### Transportation Access

Safe travel to schools and colleges.

### Digital Literacy

Computer & tablet access for rural students.

### Meal Support

Nutritional supplement for children in need.

### After-School Tutoring

Daily tutoring in literacy and math.

### Scholarships & Mentoring

Mentoring to keep children in school to Grade 12.

## HOW WE BEGIN

1. Onboarding & alignment with your team
2. Student selection at the critical grades
3. Funding committed for each child
4. Delivery through your own programme
5. Quarterly review and feedback
6. Long-term follow-through into early career

## LET'S BEGIN

# You keep their dream alive. Let us help it come true.

If you work with students at risk of leaving, we should speak.

Tell us about your organization and the children you serve, and we will take it from there.
